Cir. No. 011/2010/Sch

Date : 22//06/2010

To the parents of boys in classes 1 - 10.

Dear Parents,

It is our earnest desire to reach out to every child in our institution. Every one of them has been blessed with some God given talent and intelligence.

However we cannot shy away from the truth that while some children cope well academically, there are those that just plod along probably due to lack in physical, mental, emotional or spiritual growth.

Our focus at Campion is on the latter, who need just that little reinforcement, a one-to-one explanation, a lot more confidence in themselves to be able to make the grade.

Keeping the above in mind, we are beginning an “Enrichment Class” with the sole objective of enriching and stimulating these children, so that they are able to make it academically.

The enrichment Class will be held once a week.

- \* Subjects : English, Mathematics, Hindi
- \* Timings : 2.25 to 3.25 p.m.
- \* Charges : Rs. 3000/- per subject (till February 2011)  
(cheques should be drawn in favour of `THE  
BOMBAY CAMPION HIGH SCHOOL SOCIETY`)

Kindly fill in the form given below stating whether your son will attend the Enrichment Class, and submit the form to Mr. A. Leitao ( School Stores ).

Yours sincerely

P. Machado
